

## **THE NEW SPRINGFIELDCARDINALS.COM**

The Springfield Cardinals are pleased to announce that they have joined forces with Baseball Advanced Media (BAM) to launch a brand new website prior to the 2009 season.

The new springfieldcardinals.com has additional features that will be sure to spark your interest, while also maintaining the great aspects of the previous website.

New to the 2009 website is an alumni page, which lays out every player to wear the Springfield "Birds-on-the-Bat" jersey, what number they wore and what year(s) they played at Hammons Field.

Another great new feature is the Photo Gallery Page, highlighting some of the great players from the previous four seasons of Springfield Cardinals Baseball. There's also a photo gallery showcasing former Springfield Cardinals who have gone on to play in St. Louis and rehabbing St. Louis Cardinals who've visited Hammons Field.

Let us know what you think or make a suggestion for a new feature after taking a look around...enjoy the new site! We hope to see you at Hammons Field for Season Five of Springfield Cardinals Baseball!
